NORTH KOREAN STATE-OPERATED SHIPYARD FOR FISHING VESSELS

According to Ordinance No 16, of the Ministry of Agriculture and Forestry, the state-operated shipyard for fishing vessels (hereinafter referred to as shipyard) shall build state-owned vessels for the marine products industry. This shipyard is located on the premises of the state-operated Marine Industry Enterprise, and is under the control of the Bureau of Marine Industry Administration, Ministry of Agriculture and Forestry. This shipyard shall perform the following functions:

1. Build and repair state-owned fishing vessels.
2. Manufacture shipbuilding materials, both of wood and metal.
3. Develop shipbuilding technology.

The director of the shipyard shall be appointed through the recommendation of the director of the Bureau of Marine Industry Administration. The administration of the shipyard is performed by its three departments: accounting, production, and planning. The planning department, among other things, shall safeguard the secrets of this shipyard.
